**Data & Tools:** Excel (advanced), PowerPoint, Power BI, Python, MySQL, Bloomberg, think-cell, JIRA.

**Languages:** English (Native), French (Native), Spanish (Fluent), Arabic (Fluent), Italian (Intermediate).

## EXPERIENCE

### ASSOCIATE - STRATEGY AND FINANCE

11/2024 - Present

BP PLC, London, UK

- Built and maintained complex financial models to value renewable energy assets, supporting investment decisions, M&A scenarios, and exit strategies.
- Partnered with the structured finance team to develop capital structures and debt schedules for projects.
- Supported due diligence and presented findings to senior leadership, including CFO-level stakeholders.
- Produced KPI dashboards (IRR, ROI, LCOE) used in IC reviews and monthly performance updates.
- Played a key role in analyzing synergies during BP's integration of LightsourceBP, contributing to effective post-merger integration planning.

### PORTFOLIO ANALYST (PMO/BUDGET)

10/2023 – 11/2024

BP PLC, London, UK

- Led annual budgeting, aligning capital allocation with corporate objectives.
- Directed a global cost optimization initiative, achieving a 6% reduction in OPEX across the portfolio.
- Supported business development team in evaluating new market opportunities in renewable energy.
- Spearheaded the establishment of a technical center in India; led organizational design, staffing structure, and interview processes for 15+ roles.

### LEAD CONSULTANT - M&A AND MARKET STRATEGY

02/2023 – 10/2023

4C OFFSHORE, Suffolk, UK

- Led commercial due diligence for a \$200M acquisition of a vessel company by an offshore infrastructure player. Delivered valuation insights, demand modelling, and synergy assessment.

- Led a team of 4 research analysts and oversaw client delivery workstreams, delivering 5 client reports in 5 months, generating \$120,000+ in consulting revenue for the firm.
- Developed client relationships through regular engagement. Attended networking events to bring in new clients and lead the proposals and client pitches.

#### **EQUITY RESEARCH ANALYST**

**01/2021 – 01/2023**

**BLOOMBERG LP**, London, UK

- Built 12 models (DCF, comps valuations) and 4 M&A models for EMEA energy companies.
- Contributed to the writing of detailed investment-grade reports and seasonal investment articles by assessing financial, ESG performance and M&A and growth prospects.
- Engaged regularly with clients, achieving 20+ positive reviews.

#### **DATA ANALYST - INVESTMENT BANKING AND DEBT SUPPORT**

**09/2018 – 12/2020**

**BLOOMBERG LP**, London, UK

- Delivered accurate, real-time financial data and analytics to support investment banking clients in deal sourcing, valuation, credit analysis and leveraged finance (term loans, bonds, etc.)
- Partnered with product/engineering to enhance credit & capital structure fields (net leverage, ICR/DSCR, RCF capacity, restricted payments baskets), improving workflows for deal screening and debt sizing.

### **EDUCATION**

#### **Master's Degree, Finance, BARCELONA SCHOOL OF ECONOMICS, 2018**

Relevant courses: Corporate finance, financial modelling, mergers and acquisitions, investment management.

Relevant project: Developed a detailed DCF and LBO model for an M&A transaction.

#### **Bachelor's Degree, Mechanical Engineering, UNIVERSITY OF TORONTO, 2017**

Extracurricular: Robotics Assoc. director, Engineering Athletics Assoc. Director, UofT Investment club chairman.
