PROFESSIONAL EXPERIENCES

Since Jan. 24 Schneider Electric–Rueil-Malmaison, France

Finance Strategy Analyst – Global IFRS & M&A Advisory, Apprenticeship

- Actively supported global M&A transactions through pre-deal financial due diligence, building valuation models, assessing the impact of business model changes and carve-outs, and driving post-M&A integration.
- Specialized in IFRS 15: Guided **15+** global teams on Revenue Recognition for complex contract structures and new offer schemes.
- Owned the compliance process for IBERIA territory, acting as the main liaison for accounting alignment.
- Conducted internal market analyses and led benchmarking analyses to support the implementation of IFRS 18 across Schneider Electric, ensuring consistent methodology and documentation.
- Developed and delivered engaging IFRS trainings; increased global participation by **30%** (notably in MEA, Bangalore, and Poland).
- Structured a global documentation system to track high-impact accounting issues and action plans across territories.

Oct. 22 - Jan. 23 Orange Morocco–Casablanca, Morocco

(3 months) Corporate Treasury & Liquidity Analyst Intern

- Assisted in daily liquidity monitoring, short-term cash flow forecasting, and debt reconciliation across business units.
- Supported treasury reporting and contributed to working capital analysis used in internal financing decisions.
- Performed financial data consolidation and helped optimize cash allocation across accounts payable and receivable.
- Analyzed risks associated with the company's investments.

Jun. 22 - Sept. 22 La Mamounia–Marrakesh, Morocco

(3 months) FP&A Analyst Intern – Financial Planning & Analysis

- Prepared and consolidated the Hotel's daily financial report ensuring **100%** accuracy in reporting for **€150K+** in daily bookings.
- Analyzed monthly P&L statements, identifying variances exceeding **5%** compared to the previous month and proposing corrective measures.
- Collaborated with the audit and procurement teams to review internal controls, monitor supplier compliance, and identify cost-saving opportunities.

LANGUAGES & COMPUTER SKILLS

- **Language abilities:** Arabic: Native – French, English: Fluent – Spanish: Basic proficiency.
- **Computer skills:** Excel & Excel VBA–PowerPoint – Access – Tableau – Power BI: **Advanced.**
- **Programming languages:** SQL- Python: **Intermediate.**
- **Certifications & Achievements:** McKinsey Forward Program Certification – LSE Gold Professional Skills Badge – EDHEC Sustainable Behavior Hackathon Badge – Currently leading an AI chatbot project aiming to improve Finance guidance accessibility internally at Schneider Electric.
