PROFILE

Strategic Project, Program & Portfolio Leader | Transformation, Governance & Growth

With over 10 years of cross-sector experience, I bridge strategy and execution to deliver high-impact transformations. I specialize in portfolio governance, strategic project delivery. My hybrid expertise—spanning operations, finance, and executive governance—makes me a trusted partner to C-levels and steering committees. I design PMO ecosystems that enable decision-making, drive performance, and scale transformation with measurable value creation.
