## PROFESSIONAL EXPERIENCE

---

### Corporate Finance International - CFI France

Paris, France

#### M&A Analyst Intern, Mid-cap, Generalist

Jul 2025 - Dec 2025

- Prepared pitch books to secure mandates for companies based in Europe across various sectors, including healthcare, TMT, F&B, energy transition and industrials
- Execution of a sell-side mandate for a global industrial group with €120m in revenue: drafted IM, managed data room, Q&A flow and client coordination
- Performed company valuations using techniques such as DCF, LBO, trading and transaction comparables
- Built financial models to support valuation, scenario analysis, and strategic decision-making

### ESFIN Gestion - BPCE Group

Paris, France

#### Private Equity Analyst Intern, Healthcare & Impact Funds

Jan 2024 - Jun 2024

- Managed all stages of incoming investment opportunities for the Healthcare Fund specializing in Pharma and the IDES Fund focusing on impact investing
- Prepared Investment Committee Memos (market, competition, valuation) and pitched healthcare transactions, leading to approvals by the Fund Committee
- Contributed to an infrastructure sector deal involving a company with a valuation of €70m, structuring a new CAPEX program through the issuance of participatory shares
- Held meetings with C-level executives, visited factories, and interacted with board members and LPs

### CDG Capital

Casablanca, Morocco

#### M&A Analyst Intern, Large-cap, Generalist

Jun 2023 - Sep 2023

- Produced 6 pitch books to secure mandates for companies based in the MENA region across various sectors, including healthcare, tech, transport, and industrials
- Involved in a buy-side M&A mandate for a €540m revenue industrial group exploring acquisition opportunities in the Moroccan yeast market: conducted market mapping, identified local targets, and participated in initial valuation work
- Conducted valuation analyses using trading comparables, precedent transactions, and DCF
- Sourced and analyzed potential strategic and financial buyers across Morocco, Tunisia, Egypt, and Turkey
