PROFESSIONAL EXPERIENCES

Sept 2024 -
2025

Investment Specialist - Portzamparc Gestion BNP Paribas - Apprenticeship

Nantes, France

Context: Asset management company specialized in European small & mid-caps. Integrated into the investment and marketing team within an SFDR-regulated environment.

- Oversaw and coordinated the commercialization of an Article 9 SFDR fund, acting as a liaison between portfolio management, marketing, compliance, and distribution teams to ensure strategic alignment and regulatory adherence.
- Leveraged deep expertise in the European small and mid-cap equity market to identify targeted investment opportunities and provide actionable insights to fund managers and institutional clients.
- Developed and executed ESG-focused marketing strategies, collaborating with product and sales teams to align offerings with investor expectations.
- Organized and facilitated investor meetings, serving as an intermediary between portfolio managers and clients to present fund features, address inquiries, and integrate client feedback into strategic decisions.
- Contributed to ESG-compliant asset allocation and impact reporting, consolidating and structuring performance and sustainability data for internal and regulatory requirements.
- Worked closely with regulatory and compliance teams to ensure full SFDR compliance and prepare documentation for audits and investor transparency.
- Supervised the commercialization of 4 SRI funds, 1 bond, and discretionary mandates (GSM), ensuring smooth communication across stakeholders and timely delivery of project milestones.

Technologies : Bloomberg, Excel, Microsoft Office Suite, Adobe Suite, HTML, Brevo.

Sept 2023 -
2024
