EXPERIENCES

SIA PARTNERS - SENIOR CONSULTANT - FINANCE, PROCUREMENT & REAL ESTATE

december 2024- currently

- As a Senior Consultant at Sia Partners, I advise corporate real estate departments and real estate players in deploying their strategies, with a focus on Smart Building and Workplace initiatives. My work spans from defining strategic vision to operational implementation, integrating innovation, performance, and user experience transformation..
- Client : TotalEnergies

CBRE - SENIOR CONSULTANT - WORKPLACE STRATEGY

may 2024- november 2024

- As a Project Manager at CBRE, I supported corporate real estate departments in deploying their workplace strategy by leading :
 - High-stakes relocation projects (new ways of working, site consolidations, etc.).
 - Change management initiatives to align workplace practices, physical spaces, and corporate culture.
- Client : Orange

ARTIMON - SENIOR CONSULTANT - MANAGEMENT & DIGITAL TRANSFORMATION

october 2019 - april 2024

- As a Senior Consultant at Artimon, I supported corporate real estate departments in:
 - Translating their real estate strategy into master plans (SDI).
 - Improving operational performance through process optimization and the implementation of tailored tools.
- I also advised real estate market players (developers, property managers, etc.) in executing their core business and support functions.
- Clients : Nexity, Orange, AFD, ADEME

VIF EXPERTISE - REAL ESTATE APPRAISER

september 2019 - may 2021

- As a real estate expert at VIF Expertise, I conducted property valuation assignments across all asset classes (residential, commercial, and land) in diverse contexts, including acquisitions, disposals, portfolio restructuring, taxation, and litigation.

ARTELIA VILLE & TRANSPORT - PROJECT MANAGER

january 2019 - july 2019

- I managed an urban development project in the Saclay Joint Development Zone (ZAC), overseeing technical coordination, operational monitoring, and strategic urban planning for a large-scale infrastructure program.
