Business Engineer & Financial Consultant | International Finance & Risk Management | €12M+ FX Volume | Expert in Corporate Advisory & Cross-Border Strategies

## CAREER OBJECTIVE

Results-driven Business Engineer with a strong background in Finance, Treasury, and Risk Management, seeking to apply analytical and advisory expertise within a Consulting or Financial Services environment. Passionate about driving financial performance and operational efficiency through strategic, data-driven insights.

## WORK EXPERIENCE

### FX Sales & Consultant, Ebury Partners - Benelux Market

Brussels, Belgium

Dec. 2023 - Aug. 2025 (20 months)

- Advised corporate clients on FX risk management, liquidity strategies, and international payment optimization.
- Conducted financial diagnostics of client exposure to currency and market risk.
- Designed and implemented tailored hedging and cash flow optimization strategies.
- Partnered with trading teams and major banks to execute transactions and monitor market developments.
- Built long-term advisory relationships with CFOs and Treasurers across key sectors (Energy, Pharma, Manufacturing, Automotive).

#### Key Achievements:

- Optimized FX exposure for clients trading over €6M in FX volume.
- Delivered €55,000 in direct revenue and expanded portfolio through strategic referrals.
- Enabled a pharma client to save €30,000 by redesigning USD payment flows.
- Implemented £3M in cross-border cash netting, improving liquidity management.
- Ranked Top 10 globally in Ebury's Sales Challenge (2025).
- Undertook advanced trainings in FX markets, treasury, and financial risk management.

### Treasurer & Partner Manager, Ustart - Mons

Mons, Belgium

Sept.2021-Sept.2022 (1 year)

- Managed financial planning and treasury for a €3,000+ budget.
- Negotiated partnerships and sponsorships with key financial institutions.
- Produced financial reports and managed budgeting and forecasting.
- Key Achievements: Strengthened the association's financial structure and established sustainable funding partnerships.
